\*NOTES:

- The order here is dictated by alphabetization. Your docs will show up in A-Z order as titled.
- ALL pieces should be proofread and be revised to your satisfaction. They should look like the genre they are (e.g. poem, letter, review, annotation, etc.)
- NONE should be plagiarized!! If you didn't write it (or annotate it in case of the rap lyrics), don't include it.
